Reference Letter

Margarita Aleeva works as a copywriter in the Nevatrip travel service on a project basis from 08/14/2020 to the present. Her responsibilities include writing informational articles for the company's blogs and preparing commercial texts and additional materials for the site.

During her work, Margarita has established herself as a responsible employee who independently and successfully solved all the tasks. She also made a significant contribution to the formation of the brand language and has gained a reputation as a competent specialist.

Through her efficiency and literacy, Margarita is punctual when writing or editing. Equally important, Margarita constructively perceives feedback and develops quickly, which makes communication with her easy and pleasant.

Olga Gerashenko
Content manager of the Nevatrip travel service
